Bail pleas of Imaan Mazari, spouse dismissed

By Malik Asad

ISLAMABAD: The Anti-Terrorism Court (ATC) Judge Tahir Abbas Sipra on Thursday dismissed the pre-arrest bail applications of advocates Imaan-Hazir Mazari and her spouse Hadi Ali Chattha in a case relating to a scuffle outside the Islamabad High Court, citing their non-appearance.

Meanwhile, the Islamabad High Court Bar Association's Secretary Manzoor Ahmed Jajja announced in a press conference that the couple would appear before the trial court in controversial tweets case on Friday (today).

During the hearing in the ATC, neither Imaan Mazari nor Hadi Ali Chattha appeared before the court, leading to the dismissal of their bail pleas. The case was registered on the complaint of Islamabad High Court Bar Association President Syed Wajid Ali Gilani, following a heated exchange during a protest outside the High Court Bar Office.

Separately, the court of Additional District and Sessions Judge Mohammad Afzal Majoka was hearing the controversial tweets case against the two accused. Despite repeated calls and adjournments until 11:30 am, neither the accused nor their counsel appeared before the court.

The prosecution informed the court that the accused were deliberately present at the Islamabad High Court premises and requested the issuance of arrest warrants. Prosecutor Rana Usman argued that despite clear directions from the High Court, the accused had failed to appear, and therefore their bail should be rejected and warrants issued.

Judge Mohammad Afzal Majoka remarked that his "hands were free to pass appropriate orders" and noted that the High Court had directed completion of cross-examination by Jan 24.

The court ordered the accused to appear in person at 8:30am and adjourned the hearing till today.

Meanwhile, Imaan Mazari and Hadi Ali Chattha spent a second consecutive night at the office of the Islamabad High Court Bar president. After court hours began, Hadi Ali Chattha briefly went to the court to complete biometric verification before returning to the bar office.

Senior lawyer Babar Awan, High Court Bar President Wajid Ali Gilani, Islamabad Bar Council member Aleem Abbasi, and several other lawyers visited the bar office to express solidarity with the two advocates. A heavy police contingent was deployed around the High Court, with strict checking of vehicles entering and exiting the premises.

Both Imaan Mazari and Hadi Ali Chattha had earlier obtained protective bail from the Islamabad High Court in controversial tweets case. However, another case was subsequently registered against them by the Islamabad police.

Travel advisory issued for Murree as hill station receives snowfall

Rain adds chill to twin cities while Met Office forecasts more rain, snowfall

By Aamir Yasin and Mohammad Asghar

MOTORISTS head to their destinations on the Islamabad Expressway during rainy weather on Thursday. — Photo by Mohammad Asim

RAWALPINDI: The twin cities of Rawalpindi and Islamabad and adjoining areas received light rain on Thursday evening, adding chill to the air, while the Met Office has predicted more rain and snowfall in Murree on Friday (today).

The day was heavily overcast, and in the evening, rain occurred in the twin cities and continued intermittently late into the night, bringing the mercury down to 3°C.

According to a Met official, a strong westerly wave is affecting most parts of the country and is likely to persist in the upper regions until tomorrow (Saturday).

"Rain with wind/thunderstorm (with snowfall over hills) is expected in upper Khyber Pakhtunkhwa (KP), Kashmir, Gilgit-Baltistan (GB), Islamabad, and upper Punjab. Moderate to heavy rain/snow may also occur in upper Khyber Pakhtunkhwa, northeastern Punjab, and Kashmir," he said.

The Met Office has warned that heavy rain/snowfall may cause road closures or slippery conditions in Naran, Kaghan, Dir, Swat, Kalam, Chitral, Kohistan, Mansehra, Abbottabad, Shangla, Astore, Hunza, Skardu, Murree, Galliyat, Neelum Valley, Bagh, Poonch, Haveli, and Rawalakot on Friday.

Heavy rain/snowfall may also cause flash flooding in local nullahs/streams of upper KP, GB and Kashmir, while landslides/avalanches are possible in hilly areas during this period.

Tourists were advised to remain extra cautious and avoid unnecessary travel during the forecast period.

The rain in Rawalpindi created problems for road users, especially pedestrians and motorcycle riders, and made slushy conditions everywhere. Most of these roads and streets have been dug up for construction work at different places.

Due to the rain, most people opted to stay indoors in the evening. Business activity was minimal, with main markets, city centres, bazaars, and shops largely deserted. Only food shops experienced thriving business.

On the other hand, electricity and gas loadshedding caused problems for the residents. Many residents of downtown Rawalpindi spent the day searching for alternatives to natural gas to cook food in the cold and chilly weather.

Meanwhile, snowfall started in Murree late on Thursday evening. Murree Deputy Commissioner Agha Zaheer Shirazi urged visitors to use only the designated roads allocated for vehicles in the hill station. A large number of people were already in Murree ahead of snowfall.

After the prediction of snowfall in Murree, the City Traffic Police issued a special advisory for tourists to avoid any untoward incidents. It instructed tourists to ensure a complete inspection of vehicles before traveling to Murree.

In case of snowfall or slippery roads, the use of tyre chains has been made mandatory to maintain control over the vehicle.

The City Traffic Police Murree has imposed a complete ban on the use of mobile phones while driving, adding that even a slight lack of attention can lead to serious accidents.

Foolproof traffic arrangements have been made under the special supervision of Chief Traffic Officer Imran Razaq.

Mother, aunt record statements in Sana Yousuf murder case

By Our Staff Reporter

ISLAMABAD: Additional District and Sessions Judge Mohammad Afzal Majoka on Thursday recorded the statements of mother and maternal aunt of renowned TikToker Sana Yousuf in her murder case.

The court summoned the officials of the National Cyber Crime Investigation Agency (NCCIA) over threats received by the defense counsel, and adjourned the hearing until January 27.

During the hearing, accused Umar Hayat was produced before the court. The defense counsel informed the court that he was receiving threats for representing the accused. He stated that the threats were being conveyed through video calls and messages, with the callers claiming links to Afghanistan. He alleged that he was being pressured to withdraw from the case.

Counsel for Sana Yousuf rejected the claim, stating that if any threats had been received, legal action should be taken, but argued that the issue was being used to delay the trial.

In response, defence counsel alleged that Sana Yousuf's lawyers were making unnecessary statements and videos on social media regarding the sub judice matter.

Expressing strong displeasure, Judge Afzal Majoka directed Sana Yousuf's lawyers to refrain from making unnecessary statements or videos on social media about the pending case.

Subsequently, Farzana Yousuf, mother of the deceased, recorded her statement, stating that her son Yawar Yousuf had gone to Chitral for summer vacation, while her sister-in-law Bibi Latifan Shah was staying at their home as a guest. She said that around 5pm on June 2, a man wearing a black shirt and blue trousers entered the house, whom she and Latifan Shah saw.

According to her statement, the accused fired two shots at Sana Yousuf's chest and fled downstairs with a pistol and Sana Yousuf's mobile phone. She further said that she participated in an identification parade at Adiala Jail and identified Umar Hayat among nine dummy suspects.

Later, Sana's maternal aunt Latifan Shah also recorded her statement.

Sherry wants expert oversight over tree cutting in Islamabad

ISLAMABAD: Chairperson of the Senate Standing Committee on Climate Change, Senator Sherry Rehman, on Thursday chaired a detailed meeting on the extensive tree cutting and felling reported across Islamabad, stressing the urgent need for expert committees, transparency, public consultation, and strict adherence to environmental protocols.

Senator Rehman said Islamabad's green spaces were essential for conservation, noting that the city's forest cover was the lowest in the region at only five percent.

She urged the Ministry of Climate Change and Environmental Coordination (MoCC&EC) to establish expert committees, comprising wildlife specialists, ecologists, environmentalists and civil society representatives, to oversee parks and tree management.

"Tree plantation and tree removal are highly technical processes. We need proper committees, sub-committees, experts on board, and credible public hearings," she said.

Minister of State for National Health Services Dr Malik Mukhtar presented statistics showing Islamabad's record-breaking pollen load of 82,000 grains per cubic meter in 2022, far exceeding the dangerous threshold of 1,500. He said paper mulberry contributed 94 percent of the total pollen load. He added that the United States and Australia had officially recognised paper mulberry as a noxious weed and eradicated it in regions such as Florida and Queensland, which influenced Pakistan's mitigation approach.

According to the minister, Islamabad's pollen allergy burden had already shown signs of decline following control measures.

He clarified that while an exaggerated figure of 80,000 trees had circulated in the media, only 29,115 paper mulberry trees were removed, mainly from F-9 Park and Shakarparian, under a three-step eradication protocol followed by health authorities.

He said three indigenous and non-allergenic species were planted for every mulberry tree removed, in line with environmental safeguards.

Responding to criticism, Capital Development Authority (CDA) Chairman Muhammad Ali Randhawa said the authority managed multiple development and environmental projects across Islamabad, and that all plantation records could be formally verified. He reiterated that under the CDA Development Policy, the authority was required to plant three new trees for every one tree removed, a standard he said was consistently followed.

Providing figures, he said that at Jinnah Square, 3,500 existing trees were recorded while 6,300 new saplings were planted. Around the Shaheen Chowk underpass, he added, 7,500 new trees were planted. He also informed the committee that CDA's Gardeniya Hub nursery had raised a stock of 1.2 million plants to ensure a steady supply for ongoing and future plantation drives.

The CDA chairman also briefed the committee on enforcement actions, confirming that 13 FIRs had been registered against individuals involved in fire-related incidents that damaged green areas.

On the issue of paper mulberry, he said his office consulted independent doctors and specialists from the National Institutes of Health (NIH) and Pakistan Institute of Medical Sciences (Pims), and that the Supreme Court had granted approval for the removal of the species due to its documented health impacts.

He added that in F-9 Park alone, 12,800 paper mulberry trees were removed and replaced with 40,000 environmentally friendly indigenous species, and that a public hearing was held in the park to ensure public input and transparency.

However, Senator Rehman said public concerns must be addressed through credible and transparent processes.

"It is the capital city of Pakistan. Its green spaces are essential to conserve and preserve. We must add to Islamabad's natural green cover, not diminish it," she said.

She urged MoCC&EC and CDA to establish a proper consultation and coordination mechanism and an expert-led committee structure to ensure environmental protection remained central to development planning.

The meeting was attended by Senators Syed Waqar Mehdi, Khalida Ateeb, Bushra Anjum Butt, and Sarmad Ali.

Officials from MoCC&EC, CDA Chairman Muhammad Ali Randhawa, Minister of State for National Health Services Dr Malik Mukhtar, and Minister of State for Interior Talal Chaudhary also participated in the meeting. — Staff Reporter

Police seek army support to train newly formed SWAT force

ISLAMABAD: The capital police have sought the services of two army majors and 16 Special Services Group (SSG) commandos to train personnel of the newly formed Special Weapons and Tactics (SWAT) force, *Dawn* has learnt.

In this regard, a written request was sent from the office of the inspector general of police (IGP), Islamabad, to the office of the chief commissioner, Islamabad.

The letter, signed by the deputy inspector general of police (Headquarters), sought the requisition of the services of two majors and 16 serving SSG-trained officials on a secondment basis for the capital police.

The letter stated that the Islamabad police are performing multifaceted duties, including maintenance of law and order, crime fighting and prevention and ensuring security and route duties.

It further requested that the concerned quarters be approached to place the services of two majors and 16 serving SSG-trained officials of the Pakistan Army at the disposal of the capital police against existing vacant posts. Out of the 16 SSG-trained personnel, 10 will be attached to the National Police Academy (NPA), Islamabad.

The letter added that the matter may be accorded top priority.

A police officer, speaking on condition of anonymity, said that the chief commissioner's office forwarded the request to the Interior Ministry, from where it was being sent to the concerned army authorities.

The officer said the SWAT force had been established in the capital police with a manpower of over 200 personnel and was most likely to operate under the command and supervision of the senior superintendent of police, Counter Terrorism Department.

SWAT training for the personnel started about a month ago at the Police Lines Headquarters. A team from the army is currently providing training to the force.

The requisition for the two majors and SSG personnel was made to formalise and officialise the arrangement.

Out of the total, the two majors and six SSG personnel will be placed on secondment at the disposal of the police for training the SWAT force, while the remaining personnel will be posted at the NPA to train under-training assistant superintendents of police (ASPs). — Munawer Azeem

Man commits suicide after killing four family members

TAXILA: An estranged man shot dead his father- and mother-in-law and two minor children in Pind Mehri village in Hassanabdal before committing suicide on Thursday.

Sources in the Hassanabdal police said that Nasir, a resident of Haripur, had contracted marriage with his cousin in Pind Mehri village in the outskirts of Hassanabdal six years ago. The couple developed differences over domestic issues and the woman started living with her parents a couple of months ago, and all reconciliation efforts between two families remained unsuccessful.

On Thursday, the man entered his in-laws house and opened fire on members of the family killing his father-in-law Nisar, 60, mother-in-law Naseem Akhter, 55, his five-year-old son Falak and two-year-old daughter Kainat. After the shooting, the man reportedly killed himself on the spot.

His wife fortunately remained unhurt as she succeeded to flee from the scene.

Upon receiving information, local police rushed to the area, secured the scene and began investigations.

All the five bodies were shifted to the Tehsil Headquarters Hospital Hassanabdal for postmortem examination. Police officials said an investigation was underway to determine the exact sequence of events and circumstances leading to the incident.

A team led by SP investigation Attock Zainab Ayub along with Subdivisional Police Officer Yasir Matloob Kiyani collected evidence. A pall of gloom spread in the area when the bodies reached their home for burial. Moving scenes were also seen on the occasion. — Amjad Iqbal
